**PAID TO

OWN YOUR POWER

GET PAID TO BE YOURSELF

SOPHIA FIRLEJ

HEY, I'M SOPHIA.

And I believe you get to be paid to exist.

Not for doing more. Not for fixing yourself.
Not for following someone else's blueprint.
You were born with your own money codes and they've
been in your chart all along.
This blueprint will help you unlock the truth of how you
were designed to attract, receive and multiply wealth.

We're about to activate it.

Let's begin...

Sophia xoxo

Your **MONEY CODE**

There are 3 placements in your chart that tell the truth about how you're designed to receive, hold, and attract money (without performing or pretending).

YOUR 2ND HOUSE + RULER

your personal income magnetism

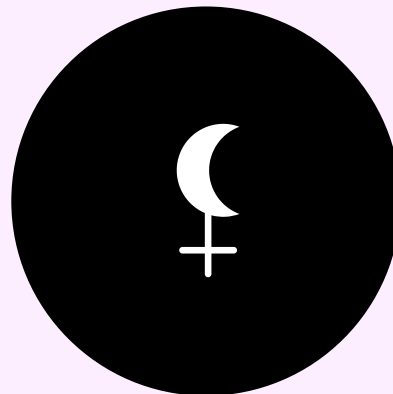

→ shows the kind of energy that makes money want to stick around

YOUR VENUS

your receiving style + self-worth blueprint

→ how you allow pleasure, love, support and luxury in

YOUR BLACK MOON LILITH

your biggest shame + biggest source of power

→ the part you hide the most but is what makes you irresistible to money and opportunities

Your **MONEY MAKING PLANETS**

the planet that rules your 2nd house.

Aries or Scorpio 2nd House

MARS

Your bold moves and willpower is the secret.
You get paid when you take the damn lead and don't hesitate.

Taurus or Libra 2nd House

VENUS

Money responds to your standards, to your boundaries. Take care of yourself first and become magnetic.

Gemini or Virgo 2nd House

MERCURY

Your voice and your thoughts make you money.
Aligned them with that "paid to be me" vibe. And yap away, the world is waiting for your words.

Cancer 2nd House

MOON

Heal the stories of the past and of your childhood. Their story is not yours,
Reconnect with your emotions and share the parts you desperately want to hide.

Leo 2nd House

SUN

When you show up, you get paid. Stop waiting for the applause. Shine and share your light.
The people are waiting to pay you for your presence alone.

Capricorn or Aquarius 2nd House

SATURN

Treat your money and your energy as something sacred. Create rituals that support your stability and bring clarity into every part of your life.
Be more devoted to your future than your past.

Sagittarius or Pisces 2nd House

JUPITER

Your belief system is your income ceiling. Raise both daily. Focus on your bigger vision, let the doubt of others go. Up your gratitude, believe and go for it.

Your **VENUS**

1ST HOUSE OR ARIES VENUS

You get paid when you stop waiting and just go.
Own who you are completely and eliminate anything
and everyone who questions your standards.

2ND HOUSE OR TAURUS VENUS

Luxury isn't a reward, it's your standard and taking care
of your body is a necessity, not an add on.
Own your space and your body & up those boundaries.

3RD HOUSE OR GEMINI VENUS

Your words = your wealth. Don't downplay your voice.
Stop speaking ill over yourself and make your thoughts
something you enjoy listening to.

4TH HOUSE OR CANCER VENUS

When you feel at home in yourself, the world wants in.
Let every part of your life become a safe space for you,
your emotions, your money and your community.
Safety = cashflow.

5TH HOUSE OR LEO VENUS

You're rich when you let yourself be the star.
Stop dimming your shine to make the world more
comfortable. You get paid to be seen, so show yourself.

6TH HOUSE OR VIRGO VENUS

Serve yourself first. You have the power to heal and
turn a small opportunity into a big win. Leave the
humility at the door. The more you consistently take
care of yourself the more you get paid.

Your **VENUS**

7TH HOUSE OR LIBRA VENUS

You get paid when you drop the good girl. When stop trying to be liked and tap into loving yourself deeply. Admire and worship yourself that's how you get paid.

8ND HOUSE OR SCORPIO VENUS

Your depth and intensity make you unforgettable, so stop hiding it. Own your obsessiveness. Turn the pain you feel into power and let the world see what happens when a woman no longer feels shame. Shamelessness = \$\$\$

9TH HOUSE OR SAGITTARIUS VENUS

You're magnetic when you follow what lights you up. When you own your spark and let go of the beliefs society has placed on you to keep you small. The bigger the better... in everything.

10TH HOUSE OR CAPRICORN VENUS

You make money when you own the room. When you no longer doubt but demand. Don't be afraid of being bossy or dominant. Own it.

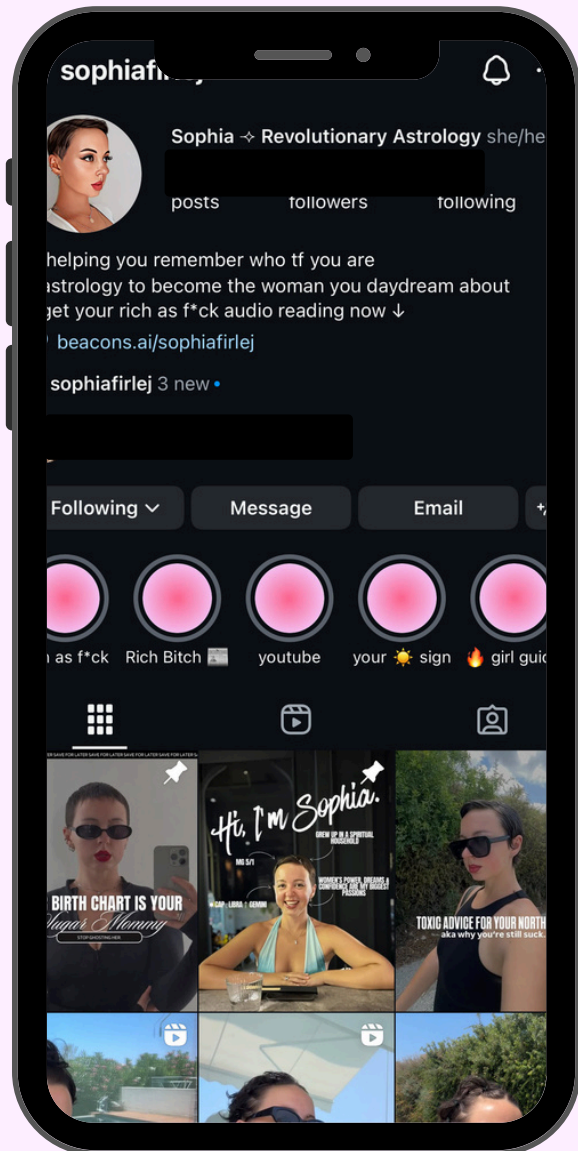

11TH HOUSE OR AQUARIUS VENUS

You get paid for being ahead of your time. So don't be afraid to show your uniqueness. Let the world hear the beliefs, visions and innovations you have. The crazier the better.

12TH HOUSE OR PISCES VENUS

You're rich when you let yourself be the star. Stop dimming your shine to make the world more comfortable. You get paid to be seen, so show yourself.
