GET PAID TO BE YOURSELF

HEY, I'M SOPHIA.

And I believe you get to be paid to exist.

Not for doing more. Not for fixing yourself.

Not for following someone else's blueprint.

You were born with your own money energies and they've been in your chart all along.

This guide is a shameless taste of that blueprint.

Inside, I'll show you the 3 placements that hold the keys to your money + magnetism...

Moon: the emotional patterns that decide how much wealth you'll let yourself hold.

Venus: your natural magnetism, your luxury frequency.

Lilith: the raw, shameless power you've been told is "too much."

By the end, you'll see exactly where you've been blocking yourself and how to start flipping those shadows into cash and confidence.

Now let's dive in.

xoxo Sophia

Your **MOON SIGN**

Your Moon sign is your emotional wealth. It shows how safe you feel letting money, love and desires stay with you.

When your Moon feels unhealed, you'll chase, self-sabotage or burn out. When you heal it, you become a magnet who receives with ease. Here's a taste of how your Moon plays out:

MOON IN FIRE (ARIES, LEO, SAGITTARIUS)

You're meant to be bold, unapologetic, loud with your desires. But if your fire was shamed, you might shrink, play nice, or overcompensate by chasing success. Your wealth comes back the moment you let yourself be seen as "too much."

MOON IN EARTH (TAURUS, VIRGO, CAPRICORN)

You crave safety + stability. When unhealed, you cling to control or block opportunities because you don't trust they'll last. Your magnetism unlocks when you ground into routines that feel luxurious, not punishing.

MOON IN AIR (GEMINI, LIBRA, AQUARIUS)

You thrive on connection, communication, being recognized. Unhealed, you people-please or scatter your energy to be liked. Your wealth grows when you claim your words as powerful. Your voice & truth literally create money.

MOON IN WATER (CANCER, SCORPIO, PISCES)

You're intuitive, emotional, magnetic when you let yourself feel. But shame tells you to "be less sensitive." When you stop hiding your depth and let your emotions lead, money flows. Your feelings are the portal, not the problem.

This is just a teaser. Your exact Moon placement + rewiring process is inside the Magnetic Moon Guide (part of the Shameless Wealth Bundle). That's where you'll learn how to heal your money wounds and reprogram your subconscious so you stop blocking wealth on repeat.

Your **VENUS SIGN**

Your Venus is your luxury frequency. She shows how you attract, how you magnetize, how you make people want to give to you.

When you ignore Venus, money feels like a fight.
When you embody her, you stop chasing and start receiving.
A taste of how your Venus works:

VENUS IN FIRE (ARIES, LEO, SAGITTARIUS)

Magnetic when you're bold, radiant, unapologetic. You seduce by leading with fire. When dimmed, you become "too agreeable" and money ignores you. Your wealth = letting yourself be worshipped for your audacity.

VENUS IN EARTH (TAURUS, VIRGO, CAPRICORN)

You attract through stability, devotion, refinement.
But when blocked, you work yourself into the ground.
Wealth comes when you let your rituals feel luxurious, not like punishment.

VENUS IN AIR (GEMINI, LIBRA, AQUARIUS)

Your charm, wit, and intellect are your magnetism. You seduce with your words + energy. When blocked, you scatter your power or dilute yourself to be liked. Your wealth comes back when you own your social + creative genius.

VENUS IN WATER (CANCER, SCORPIO, PISCES)

You're magnetic when you're soft, vulnerable, intimate. When shamed, you shut down your emotions or manipulate to feel safe. True magnetism comes when you stop hiding your depth and let your allure be raw.

This is only the surface. In the Irresistible Venus Guide (part of the Shameless Wealth Bundle), you'll learn how to fully embody your Venus so love, money, and luxury chase you. Plus you'll get a rewiring audio to activate her magnetism daily.

Your **LILITH SIGN**

Your Lilith is the part of you society told you to be ashamed of. The part that's "too much, too messy, too wild, too sexual."

But here's the truth: when you bury her, you bury your power. When you embrace her? You become shameless, untouchable, and rich. A taste of Lilith in action:

LILITH IN FIRE (ARIES, LEO, SAGITTARIUS)

Shamed for being too bold, loud, or powerful. Your wealth comes when you stop apologizing for being seen and take up unapologetic space.

LILITH IN EARTH (TAURUS, VIRGO, CAPRICORN)

Shamed for wanting luxury, comfort, pleasure. Your wealth grows when you claim your right to be well-fed, well-paid and dripping in beauty.

LILITH IN AIR (GEMINI, LIBRA, AQUARIUS)

Shamed for speaking too much, knowing too much, or being "unladylike." Your wealth codes activate when you turn your words into fire and stop censoring yourself.

LILITH IN WATER (CANCER, SCORPIO, PISCES)

Shamed for being emotional, sexual, or intuitive. You become magnetic when you reclaim your sensitivity and desire as the very source of your wealth.

This is where your shame turn into wealth. In the Shameless Wealth Bundle, you'll unlock how to rewire these shadows into raw magnetism with audios + guides that take Lilith from wound to weapon.
